Vegetable Appetisers

Our wide range of appetisers bring variety and sustainability to the market. Breaded or battered, made with clearly identifiable vegetables. These nutritious bites are pre-fried in a crispy golden-brown coating and are available in various exciting flavours. Vegetables like broccoli, carrots, cauliflower or zucchini, in their original shape or formed into fries or nuggets. The possibilities are endless.

Onion Appetisers

The sweet taste of onions is preserved in a crunchy breadcrumb (breaded) or tempura batter coating (battered) with serving options including beer batter, battered with added onion seeds and as onion bhajis -delicious lightly spiced Indian style snacks.

Portobello burger

Mushroom Appetisers

Deliciously crispy on the outside yet flavourful and juicy on the inside these 'moreish' breaded mushrooms are the perfect snack or appetiser. And what about our portobello burger? Thick, juicy and perfect for serving on a sesame bun. You probably won't even miss the meat.
