Grilled mushrooms & onions

Mushrooms and onions are versatile and they are perfect grilled. Grilled mushrooms and onions bring out a desirable sweet and smoky taste that can't be achieved in any other way. The dry heat of grilling forms a caramelized crust, sealing all flavour and moisture inside.

Various sizes from
20 mm - 80 mm

Various slice thicknesses
whole, sliced or cubes

Various packagings from
bags of 450 g to
octabins of 850 kg

Sweet & smoky taste

- Perfectly suitable for a wide range of applications
- Low in moisture and high flavour - ideal for soups, sauces, toppings and ready meals
- Also available as organic
- Grilling delivers the highest amount of antioxidants
- On request flavour coatings can be added.
- A long shelf life up to 24 months

Soft fried onions

Soft fried onions provide the perfect match between flavour and juiciness.
Used as topping, in ready meals or in IQF vegetable mixes.

- Our soft-fried onions are gently fried in oil and immediately frozen using the most sophisticated IQF system
- The ideal combination of fresh and frozen
- Soft-fried onions come out with a uniquely low fat content of just 2%.
- Frozen shortly after harvest maintaining taste, appearance and nutritional value for up to 24 months
- Available with sunflower- or rapeseed-oil and as organic
